

#138B & #150B Glue Applicators

Simple and Efficient

- 2 Models/grid sizes:
#138: 8" wide x 48" long, 5 gallon capacity (shown on left)
#150: 6" wide x 27" long, 1-1/2 gallon capacity (shown on right)
- Many times faster than manual glue application.
- Longer boards can be easily coated.
- The operator simply steps down on the floor treadle, the grid is raised up and out of the glue. The edges of the boards are placed on the grid for a precise and even glue spread.
