Quick Changeovers

With the easy-to-use handle system from JLT, quickly change between drawer box sizes, saving time and effort.

Heavy Duty Clamp Surface

Aluminum plates make for an excellent, solid clamping surface. Along with JLT's powerful air cylinders, they are sure to close any tough joint.

Allow Your Glue to Set

The Drawer Box Clamp includes a pneumatic lever valve that allows the operator to lock air pressure into place, holding the parts square while the glue sets.
